WELCOME

- Welcome to our first edition of the Hopwood Ladies Newsletter where we can share Anything! ...to keep us all informed about events planned/challenges arranged/delicious cake recipes/cycling tips... etc
- The idea is to pull together the mails and news that we have and share with everyone and help those struggling to keep up with all the email and texts.
- Not only have we managed to remain as a club and continue to eat cake often – we have maintained 3 rides per week due to the many brave people that have volunteered to lead (even though it is a bit like herding sheep or worse cats sometimes). So a big thanks to our ride leaders new and old.
- If there is anything you would like to share please email TracyMurrall@gmail.com and I will include in the next News Letter (issue every couple of months or if there is any new gossip).
- Hopefully in the next edition we can report on the events of the first Hopwood Ladies meeting after identifying roles, responsibilities and ideas
- Please feel free to give me some feedback – any enhancements are welcome.
