

# Hopwood Ladies cycling – newsletter 2

## May Events

- The meeting...
  - The Blossom Trail
  - Sue M Birthday ride
- Our first Club meeting was held in May and was attended by two thirds of the club members – a very successful evening which resulted in identifying several activities to keep the club running and move it forward – a big thanks to everyone who came and who has taken away some actions ☺
- A new website is now being designed
  - A Club constitution is now being developed
  - A Bank account has been opened
  - A code of the Club is now being established

- Ladies with Spare Tyres – a group of Ladies have kicked off little club to lose the spare tyres in time to wear a summer bikini!! – the total loss planned is 70lb – so good luck ladies (anyone can still join in .... Contact Yvonne)

- **Hopwood ladies are not short of ideas for challenges and holidays as you can see in the events list – The Club has a wonderful history of successful events (and a few wet ones!) so please continue to create ideas and join in the fun!**

- Our new leaders are taking us on some old favourite routes and some fabulous new routes. Sue's Kelly Kettle Birthday ride is always a favourite and a good day was had by all. Hopefully this news letter will include birthday lists during the next edition.... Especially ladies with **BIG** birthday celebrations looming
